SPICY MOROCCAN EGGS

SERVES: 4

TOTAL TIME: 20 MINUTES

INGREDIENTS

- 2 teaspoons olive oil
- 1 white onion, thinly sliced
- 3 garlic cloves, crushed
- 1 tablespoon rose harissa paste
- 1 teaspoon ground coriander
- 150 millilitres vegetable stock
- 1400 gram tin chickpeas
- 2400 gram tins chopped tomatoes
- 2 courgettes, diced
- 200 grams baby spinach
- A large handful coriander, chopped
- 4 eggs

INSTRUCTIONS

Begin by heating the olive oil in a large frying pan. Once hot, sauté the onion and garlic for 5 minutes, or until the onion has softened and the garlic smells fragrant. Stir in the harissa paste and ground coriander. Let the spices roast in the pan for a few moments before adding the vegetable stock and chickpeas, including their liquid. Cover the pan and leave to simmer for 10 minutes, by which point it should smell incredible.

Add the tinned tomatoes and courgettes to the pan and cook over a low heat for a further 10 minutes. Once the tomatoes have broken down and the courgettes are tender fold in the baby spinach and fresh coriander and let the sauce gently bubble until it is rich and delicious.

Using the back of a spoon, make 4 hollows in the sauce. Crack the eggs into the hollows, put a lid on the pan and let the eggs poach in the sauce. Once the yolk has turned golden yellow and the white has set, remove from the heat and serve immediately.

Been training with prime for 4 weeks now & really enjoying it! The classes are brilliant, Sam & Joe keep you really motivated 👍😊

Fantastic trainers. Full of knowledge, encouragement, nutrition advice & motivation.. I'm 'loving it' and at 4kg down its with the guys help I'm 'smashing it!'

4.7 ★★★★★

was well on track for my target weight for the wedding this June. Then lockdown hit, the wedding was postponed to next year and I decided to eat and drink whatever the hell I wanted again 😂 but what's been amazing is despite that, because I've kept up with the virtual 1:1 sessions and Prime classes each week I've managed to maintain my weight and also become so much stronger in the process. I'm lifting weights that are twice as heavy than I was 10

Absolutely love Prime. The trainers Sam, Joe and Sarah are brilliant. Group Classes are always varied with a mixture of cardio and strength work, and you are always pushed hard, whatever your level of fitness. Also love doing PT with Sam, this has really helped my fitness over the past year, and also have had advice on diet and nutrition with regular weigh ins to help keep me on track. Love it !

The best place I've ever trained, you'd be silly to not go!!

The place to go for proper PT - Also offer remedial treatments (massage/gua sha) for those "day after legs" days...

I've loved the virtual sessions. Initially I got stuck in a rut in at the beginning of lockdown - now I've loved every min of Pt would recommend to all levels of fitness. Not only do I feel physically fitter but I feel my mental health has improved and feel really positive about the next stage of my weight loss/fitness journey!

I joined Prime PT 3 months ago as I needed a new challenge, Sam my personal trainer has certainly done that with great results too date. Fantastic set up and equipment with personalised training to suit your individual goals. Highly motivated, experienced and enthusiastic with help and advice on diet and nutrition. Couple of great guys that make training exciting, challenging and fun all at the same time, can't recommend highly enough, keep up the good work x.

Amazing well done. I've always said the same about the boys. Sessions never got boring and every single one was different and they are so knowledgeable and motivationalxx
